# ELS POUS

Located in the Penedès, the Els Pous farmhouse has witnessed generations of winegrowers who, with patience and care, have tended these lands. Among gentle stone hills and olive terraces, our vineyards emerge: La Era, La Gran, L'Hort, La del Darrere de la Masia, and El Tennis. Each one, with its own orientation and soil, gives the wine a unique character — a small story we wish to share with you.
